

How to Access School Emails and Work Area

1. Navigate to www.npted.org
2. Click on Sign In which can be found in the top right of the page.

3. You then need to select the box saying private network and log in using your normal school details that you would use to log in to us a computer.
4. Then you can either click on the nptlg apps button in the top right and select Home Access to look at your work or My Email to look at your emails. You may be prompted for your password again in order to check your work area.
